

Produce & welcome labels

For the welcome hamper, the egg boxes, jars from the garden and anything you send out the door. A few colourways so a shelf of them looks lovely together.

ROUND

RECTANGULAR

Tip: these print to standard label sheets (e.g. Avery round 51 mm, rectangular 63.5×38.1 mm; nudge sizes to match your sheet). For jars, a single-colour stamp of just the beaver also works a treat.
